Die Autoren

Linda SCHÜCKER, Promotionsstipendiatin der Studienstiftung des Deutschen Volkes, schreibt ihre Dissertation am Arbeitsbereich Sportpsychologie der Westfälischen Wilhelms-Universität Münster und betreibt seit über 10 Jahren Leistungssport im Triathlon mit mehreren Teilnahmen an internationalen Ironman-Wettkämpfen und Top-10-Platzierungen.

Prof. Dr. Norbert HAGEMANN, Professor für den Bereich Sportpsychologie und Gesellschaft an der Universität Kassel; Arbeitsschwerpunkte: Wahrnehmen und Entscheiden im Sport.

Professor Dr. Bernd STRAUSS, Professor für Sportpsychologie an der Universität Münster; Arbeitsschwerpunkte: Psychologie sportlicher Höchstleistungen, sozialpsychologische Aspekte im Sport, Diagnostik und Forschungsmethoden im Sport.

Anschrift der Autoren: Linda Schücker, Institut für Sportwissenschaft, Horstmarer Landweg 62b, 48149 Münster
